My dear little Girl.

The time has seemed very long while my little dears have been gone & I was cruely disappointed this morning when I got to Church & saw Will come without you. Annie is very loth to leave you so long, & I hope you will show your appreciation of her kindness by giving her as little trouble as possible. I went to Mrs Burris lunch party yesterday, & it rested me very much, but the house was so desolate in the evening without the musicians that we had to go down to Olive's & select the grapes, so that job is successfully performed. I am worrying a little about your singing Friday you must endeavor to keep your minds on it when you come home to study

hard on your knees.
If I had had the slightest
idea that you were not coming
home today I think I should
have arranged this morning
to come out to Annie's today
but it was too late when I got
to Church. Papa came home
with a Rheumatic pain in his
back last night, & does not
feel much better today.
I enjoy my flowers every minute
of the time. Are you arranging
for Lyddie to come next week
with Will or shall Bitte on Saturday
Mrs Brushingham's baby is better
I am going up to see it again
this afternoon they moved on
Friday. I cannot think of any
thing else to tell you so I
will close with kindest
love to Annie & all the dear
children not forgetting Uncle
Harrie From Your loving Mother
